

THERMOSTATIC STEAM TRAPS

ADDENDUM

TWO MAJOR CHANGES

1 Stainless Steel Actuators have proven to be **THE** choice for longevity when dealing with corrosion resistance; therefore, Monel actuators have been discontinued.

2 NEW PART NUMBERS

Easier is better . . . we have included information in our codes to exactly represent what you want when you order:

FC = Fail Closed
FO = Fail Open

N125 SERIES

Models

- N125-FC—Standard capacity, fail closed
- N125-FO—Standard capacity, fail open
- N125L-FC—Low capacity, fail closed
- N125L-FO—Low capacity, fail open
- N125HC-FC—High capacity, fail closed
- N125HC-FO—High capacity, fail open
- N125ST-FC—Standard cap. w/sterilizer seat, fail closed

N450 SERIES

Models

- N451-FO—Low capacity, fail open
- N452-FO—Reduced capacity, fail open
- N452-FC—Reduced capacity, fail closed
- N453-FO—Standard capacity, fail open
- N453-FC—Standard capacity, fail closed
- N454-FO—High capacity, fail open
- N454-FC—High capacity, fail closed

LIQUIDATOR 450

Models

- UMT451T-FO—Low capacity trap w/welded SS actuator
- UMT452T-FO—Reduced cap. trap w/welded SS actuator
- UMT453T-FO—Standard cap. trap w/welded SS actuator
- UMTC—Standard connector
- UMTCY—Connector w/Y strainer
- UMTCYR—Right Hand Connector w/Y strainer
- UMTCYL—Left Hand Connector w/Y strainer

For complete unit, order trap and connector as separate items.

TA SERIES

Models

- TA502-FO—Reduced capacity, fail open
- TA502-FC—Reduced capacity, fail closed
- TA503-FO—Standard capacity, fail open
- TA503-FC—Standard capacity, fail closed
- TA504-FO—High capacity, fail open
- TA504-FC—High capacity, fail closed

N650 SERIES

Models

- N651-FO—Y pattern body w/strainer and blowdown port tapped & plugged; low capacity, fail open
- N652-FO—Reduced capacity, fail open
- N652-FC—Reduced capacity, fail closed
- N653-FO—Standard capacity, fail open
- N653-FC—Standard capacity, fail closed
- N654-FO—High capacity, fail open
- N654-FC—High capacity, fail closed

ACHIEVER "A" SERIES

Models

- A33-1/2" right angle trap
- A43-3/4" right angle trap
- A53-1" right angle trap
- AHV33-1/2" straight thru trap
- AHV43-3/4" straight thru trap
- AHV53-1" straight thru trap

*Add "HC" to all the above for high capacity.

BELIEVER "B" SERIES

Models

- B33-1/2" straight thru trap
- B43-3/4" straight thru trap
- B53-1" straight thru trap
- B63-1-1/4" straight thru trap
- B73*-1-1/2" straight thru trap
- B83*-2" straight thru trap

*Add "HC" to all the above for high capacity.

CONQUEROR "C" SERIES

Models

- C33-1/2" angle pattern trap
- C43-3/4" angle pattern trap
- C53-1" angle pattern trap
- C63-1-1/4" angle pattern trap
- C73†-1-1/2" angle pattern trap
- C83†-2" angle pattern trap

*CS models are the same as above in cast steel.

†Add "HC" to all the above for high capacity.
